

What's In A Name

SOSCL is pleased to offer a unique, once-in-a-lifetime opportunity for you to leave your mark on history. We have 41 steps leading to the top of the rear light and you can purchase a brass name plate that will be attached to one of the steps for \$800.00. This plate can list your family name, the name of your company, or the name of a loved one no longer with you - it is up to you. To take advantage of this limited time offer please fill out the information below and send your check to SOSCL. Once we receive your order we will send you confirmation and when the lights are ready for viewing you will be notified and can tour the light and check out your stamp on history. Thanks as always for your continued help to save this valuable piece of history ! Save The Lights !
